THEC has approved the ClSCC requested addition of the Law Enforcement Training (LET) Certificate and the program is currently on the official THEC API. ClSCC had one graduate, who was successfully placed, in LET for the current year. If the spreadsheet was updated by THEC to include this recent inventory change, the placement percentage (95) and the total point award (15) for the standard would not be affected. (Updated by THEC, 8-27-04)

ClSCC is including placement data for programs noted by THEC as terminated or in phase-out in its calculations if those programs had eligible graduates in 2003-04. Substance Abuse Counseling, Accounting, and Medical Laboratory Technician (all terminated) did not post any graduates in the current year and their respective cells correctly reflect "n/a."

Programs not included in the 2003-04 Job Placement Standard:
29.48.0105.00 Mechanical Draftsman, 2.2 C2 - academic certificate
All students who graduated with a Mechanical Draftsman certificate also received an AAS in Drafting. Therefore, their placement was listed under the AAS and was not duplicated under the certificate. (THEC, 9/10/04)

31.51.0601.00 Dental Assistant, 2.2C2 - academic certificate
Update made to template to include the 100% placement rate for the five Dental Assistant graduates. Three graduates are employed full-time and the other two are continuing their studies. (THEC, 9/10/04)

Supporting documentation is provided in Appendix 4A.2.

INSTITUTIONAL COMMENTS (OPTIONAL):

1) The Computer Art Design Program: Due to the low number of graduates, the Computer Art and Design program continues on monitor status. A program review update was presented to RSCC's Academic and Curriculum Council on April 27, 2004. The council voted to adopt the program report with monitoring status through spring 2006 with progress reports due spring 2005 and spring 2006. Please note: this program also underwent formal peer review for Standard I.C.2 during spring 2004.

2) The Paramedic Program: Although 0 (zero) Paramedic graduates were officially posted for 2003, 19 students completed the program and all passed the registry exam for licensure. One program completer is in the military; the remaining 18 are employed as paramedics. A new regional EMS consultant approved all 19 students to take the registry exam simply upon verification that they had passed required courses, which may explain the anomaly that students did not file "intent to graduate" forms that would have allowed their transcripts to be processed for official graduation from the certificate program. Steps will be taken to ensure that this does not occur in the future.

3 & 4) Medical Laboratory Technology and Security Management Programs are inactive programs (as noted in the templates) and there were no graduates for this reporting period.

Standard 4.A.2 Job Placement
Two active technical certificate programs were not included in the spreadsheet above. They should be included in the statistics for 2003.
12.20.0205.00 HOME MANAGER 2.1C1: 23 Graduates, 2 in Education, 21 Placable, and 21 Placed in Relevant Jobs for 100% placement rate.
32.52.0101.00 CUSTOMS BROKERAGE 2.1.Cq: 23 Graduates, 23 Placable, and 23 Placed in Relevant Jobs for 100% placement rate.

The addition of these two programs provides this overall result:
846 Graduates, 245 in Education, 11 in Military = 590 Placable with 547 Placed in Field-Related Jobs for a 93% placement rate.
